Minutes of the 41st MABOPA Annual General Meeting held on 17 April 2010 at Matahari 3, Level 5, Cititel Mid Valley, Lingkaran Syed Putra, Kuala Lumpur.

Attendance: Refer to attached attendance list

1.0 Housekeeping

At 10.15 am, the Honorary Secretary announced that 78 valid members have registered and thus, this constitutes a valid quorum for the meeting to proceed.

2.0 President's Address

Our distinguished member,
Yg. Bhg. Dato' Ivan Hoe,
Pn Zainora, the Deputy President,
Mr. Raymond Yeo, the Vice-President,
Tuan Hj Kamaludin, the Vice-President,
Sdr Arief, the Honorary Secretary,
Mr. Kow Ching Chuan, the Honorary Treasurer,
Colleagues of the Executive Committee,

Ladies and Gentlemen,

Good morning and Salam Sejahtera,

Welcome to the 41st Annual General Meeting. I hope that you are happy and comfortable with the chosen venue. I am extremely pleased with the strong attendance this year, despite the fact that it is not an election year.

Ladies and Gentlemen,

If you have read through the AGM Report that was sent to you earlier, you would have noticed that we have enjoyed a very productive year. Over the past year, the Exco has undertaken or accomplished many daunting tasks. The Exco managed to obtain

approval for the amended Rules and Constitution, purchase our own premises and proceed with the renovation works, assume the Presidency of the ASEAN Book Publishers Association and enter into a MoU with IKAPI to enhance bilateral cooperation. Just last month, MABOPA helped to organise a mini trade fair within the biggest ever KLIBF, with the cooperation of MATRADE and the KLIBF organising committee. The Trade and Copyrights Centre (TCC) saw 146 business matching deals conducted between 53 companies and 8 buyers from 5 countries. I was informed by MATRADE that the IBM has resulted in actual sales figures of RM245,000 and potential sales of RM1.5 million.

Another major accomplishment for the year is the publication of the MABOPA Membership Profile. The new edition has seen a significant improvement both in terms of design and contents. I wish to take this opportunity to thank our members, the advertisers and sponsors who constitute major players in the book industry, for their support in helping to realize the publication of the Membership Profile and making it a profitable venture for the association. Each member will be given 5 copies free of charge. Subsequent copies can be purchased at RM15 each.

There are numerous other events and issues which the Exco has managed effectively. However, I will leave them to be reported under item 4 of the agenda.

Ladies and Gentlemen,

Looking forward, a major task we hope to tackle successfully during the coming year will be to fully comprehend the mechanisms of the GST and its impact on the industry. I am given to understand that while books fall under the exempt group, according to a tax consultant from the BDO group, there are some other matters of concern, particularly with regards to the input taxes. We will explore further and organise a seminar for members when deemed necessary.

The release of the iPad has far-reaching implications on the future development of e-books. The issue is whether e-books pose a threat or an opportunity to publishers. The

APPA will be conducting a forum on this topic, in conjunction with the APPA AGM in Cebu, Philippines.

Other setbacks predicted for the industry this year will be the budget cutbacks by all the ministries. This will result in a drastic reduction on book expenditure by the MoE and PNM, except for expenditure on textbooks, which are deemed compulsory.

In view of the ever increasing challenges faced, and the completion of the MABOPA premises, it is time for MABOPA to get into gear. MABOPA must elevate itself to a whole new level.

To begin with, we need to get our office fully operational as soon as possible. Therefore, we need to source for manpower. We need to hire a clerk to man the office. In addition, we need to hire a competent executive to represent the association and thereafter, provide proper follow up on matters arising with all relevant parties, in a professional manner.

Bearing that in mind, I have moved to table a motion about the MABOPA membership. We propose to increase the subscription fee from RM300 currently to RM500 per year. The increase is to ensure that MABOPA may operate with a balanced set of accounts and not a perpetual budget deficit, which will render the operations of the association non-sustainable. The Honorary Treasurer will make his presentation on this matter later on. I strongly urge members to support the motion when it is tabled for approval.

The establishment of the new premises will not diminish the roles and functions of the Exco members. On the contrary, with higher expectations from the members and increased operational costs, the leadership of the association would be further strengthened. I am sure that you will agree with me, for MABOPA to become an effective NGO, it has to be industry-driven. And I strongly believe that it is a dynamic and proactive leadership that drives the industry.

Ladies and Gentlemen,

That takes me to one very important matter which I must share with all of you today. When MABOPA elects its new committee the following April, barring any unforeseen circumstances, I would have completed my fifth term as the President. I feel honoured and privileged to have had the opportunity to helm such a prestigious organisation. However the time has come for me to vacate the post and hand over the leadership. In my opinion, a new leader must be installed after every few years so that the association will not be deprived of new ideas. In that regard, and with all humility, I would like to inform the house today that I will not seek re-election at the next AGM.

I would like to take the liberty to inform the house about this matter. I have to give sufficient notice to the house in order to ensure continuity in the leadership during the transition period. I strongly urge members to elect a leader who is committed, dynamic and passionate about the industry.

With continued contribution from dedicated Exco members and a professional setup, I believe MABOPA will soar to greater heights in the near future. Membership will continue to expand. Professionalism will be elevated to a new level. Membership benefits would become more encompassing and have far-reaching consequences. Activities will also become more frequent and have bigger impact.

Like the saying, one good thing leads to another, I foresee that in no time, MABOPA will grow to become a force to be reckoned with!

Ladies and Gentlemen,

I wish to extend my heartfelt thanks and appreciation to all the Exco members. They have worked very hard and sacrificed a lot of their personal time and energy for this association. Particularly, Pn Zainora, Sdr Arief, Mr. Kow, Mr. Raymond Yeo, Mr. Young and Hj Che Mazlan have been of tremendous assistance in the implementation of the various projects undertaken during the year. I am indeed very privileged to have them on board as my team members.

Please give them a huge round of applause.

To all the members who are present here this morning, terima kasih tidak terhingga, your continued support is very much appreciated. Your participation in this AGM is highly valued. We will continue to serve and discharge our duties to the best of our abilities.

Atas segala salah silap yang tidak disengajakan, saya susun sepuluh jari dan memohon maaf.

Sekian, terima kasih.

Salam.

3.0 Confirmation of the 40th AGM Report

The following amendment was made to the minutes;

Page 15, point 10.3, Rename 'Mr Sehari' to 'Mr Sahari'.

Mr Peter Paul proposed the minutes for adoption, and was seconded by Mr Ishak Hamzah without prejudice.

4.0 Matters Arising from the 40th AGM Report

4.1 ABPA Book Award

The President feels that submission from members has received lukewarm response, despite the fact that information on these awards has been distributed via mabopaonline. The President hopes that more submissions will come forth from members in the future.

4.2 Patron

The association has not appointed any patron.

5.0 Executive Committee Report

The President presented the Executive Summary report from page 16 to 27 at the meeting.

5.1 Correction to the Executive Committee Report

Numbering error in '10.2 Change of Name' is renumbered to '10.4 Change of Name'.

5.2 MATRADE

Mr Peter Paul from Karisma Publications Sdn Bhd enquired about the rationale of including Cairo in the proposed book fair, which caters to mainly Islamic book publishers. According to him, the proposed book fair should benefit all the members, and not only a selected group.

Hj Che Mazlan, the chairman of the International Affairs committee, explained that the association can organise trade missions to any book fair, if it is able to confirm the attendance of a good number of publishers. The President seeks further response from members in order to identify which book fairs to attend.

Mr Ahmad B. Tajuddin from MDC Publishers Sdn Bhd, proposed that the association organise a trade mission to Frankfurt.

The President explained that organizing a collective pavilion at Frankfurt meant taking huge financial risks, and the association is not in a position to do so.

6.0 Acceptance of the 2009 Audited Accounts for the Year Ending 31st December 2009

The Honorary Treasurer chaired the meeting.

The Audited Report for the Year Ending 31st December 2009 is proposed for adoption by Dato' Ivan Hoe, and seconded by Mr Peter Paul without prejudice.

6.1 Airfare and Hotel Expenses

Mr Ahmad B. Tajuddin, of MDC Publishers Sdn Bhd, questioned the grounds for exclusion of airfare and hotel expenses in the 2009 report. These items were included in the 2008 report.

The Honorary Treasurer explained that due to the differences in accounting classification, the airfare & hotel costs have been classified under travel expenses in the 2009 report.

6.2 Investment in MBIC Sdn Bhd

Mr Ishak Hamzah, of E-Media Publications, enquired about the status of paid-up capital of MBIC Sdn Bhd, and the future of the company in running the book fair.

The President explained that the paid-up capital of the company presently is RM40,000, with authorised capital presently at RM100,000. MABOPA owns a 25 per cent stake in the company. The agreement between MBIC Sdn Bhd and MBKM has not been signed yet.

Dato' Ivan Hoe, the current chairman of MBIC, further explained that Mr Halim Ismail was unfortunately transferred to another post before an agreement could be signed between MBIC Sdn Bhd and MABOPA.

Mr Peter Paul enquired what will become of MBIC Sdn Bhd, assuming that no agreement has been signed with MBKM.

The President explained that only the MBIC Board of Directors can make a decision on the status of MBIC Sdn Bhd, in such an event.

7. MABOPA Premises

The President briefed members at the meeting on the setting up of the new MABOPA office.

According to the President, the move to acquire MABOPA's premises is to fulfil the wishes of the members via a decision made at the AGM previously. The criteria for selecting this new office were laid down in previous meetings. As of today, the office is being renovated and is almost ready for occupation. From now on, the challenge for the association is to operate, maintain and make full use of this facility.

7.1 Cash Flow Projection for the New Office Premises

The President presented the cash flow projection at the meeting, and discussed the assumptions used in the projection. Figures from the cash flow projection indicate that the association will still run a small deficit, despite the increase in membership fees. This deficit, according to the President, can be reduced with active leadership, and fund-raising projects.

7.2 Staff Development

The President proposed to increase staffing levels by hiring a clerk and an executive. The proposal received unanimous support at the meeting.

7.3 Feedback

Mr Peter Paul and Mr Ishak Hamzah went on record to support the association running its own office.

11.0 Other Matters Arising

11.1 Government Support for the Book Industry

Mr William Foo, of Nur-Ilmu Sdn. Bhd. commented that the book industry is currently facing challenging times. He proposed that the association make a written submission to the MOE, requesting the government make a higher allocation in the budget for book

expenditure. He also recommended an open tender for textbooks, and for the association to be granted copyright of past year examination papers.

11.2 Research in the Book Industry

Mr Ishak Hamzah, of E-Media Publications proposed that the association compile data from the industry, starting with our own members. The data and research would be essential in helping the association obtain government assistance.

Mr Ishak also recommended more meetings and discussions on the industry among members. The association can hold business luncheons with prominent speakers that can provide good input to members.

11.3 Role of the Booksellers

Mr Kow Ching Chuan, the Honorary Treasurer remarked that MABOPA and booksellers should have cordial business ties. The association should therefore look into engaging the booksellers proactively.

11.4 New Market for Books

Mr Peter Paul, of Karisma Publications, opined that MABOPA should look into a new channel for book distribution. Members currently are too dependent on government purchase.

The President announced that MABOPA would be submitting a comprehensive memorandum to the MOE, to address a host of issues plaguing the book industry. However, the association needs further assistance in terms of input and ideas from members. The President also stressed the need for publishers to innovate, change marketing strategies and respond to market needs.

Mr Azizi Ali, of True Wealth Sdn Bhd, opined the need to increase the size of the cake. He also shared the secret of his success. He attributed his success to being in the constant glare of the media. Mr Azizi felt that MABOPA can help members via widespread media coverage and discussions on the book industry.

Hj Kamaluddin, of Al-Hidayah Publishers, expressed the need to find more outlets to sell books. As it is, there are a limited number of bookshops in the country.

Pn Zainora Muhamad, of Mahir Holdings, proposed that MABOPA take the lead to stage book fairs, to have our own source of income and to benefit our own members.

Puan Sabariah Abdullah, of Saba Islamic Media Sdn Bhd, informed the meeting that demand for Islamic books has been on the rise in foreign markets. There is a bigger market for such books abroad.

11.5 Retreats and Sharing Sessions

Mr Sahari Jantan, of MEP Education, opined that MABOPA should organise more retreats and sharing sessions in the future. This session will help cultivate strong networking and encourage peer learning.

11.6 Copyright Awareness

Hajah Zainab Kassim, of Dewan Bahasa dan Pustaka, remarked that awareness among local publishers pertaining to copyright issues is relatively low. There is a lack of interest among publishers to attend copyright seminars organised by DBP during the last book fair.

Hajah Zainab also emphasised the need to curb rampant photocopying of materials in local universities.

12.0 Closing

MABOPA EXECUTIVE COMMITTEE REPORT 2011
From 18th April 2010 to 1st April 2011.**A- House Matters****1.0 Constitution**

MABOPA's updated constitution has been approved by the ROS on 4th November 2010. Among others, the latest version changed our registered address to our new office address, and also states a new yearly membership fee of RM500.

The latest constitution can be found at the MABOPA website, and is included in Appendix 1 of this report.

2.0 MABOPA Office

Since acquiring the new office last year, the Exco has hired one full-time executive secretary in October 2010, Mrs Irdahwati Md Jani to support the Exco in running the office.

With a full-time staff in place, the association can now undertake more activities, and provide better service to its members.

The current office has facilities to conduct seminars for 60 participants. We have since then organised 2 seminars (Rokuten and eBay), 1 dialogue session with council members of MBA, and held five Executive Committee meetings in our premises.

The plan for the future includes hiring additional staff, organising seminars and trainings for members, running income generating activities, establishing a resource centre and creating an archive of MABOPA history.

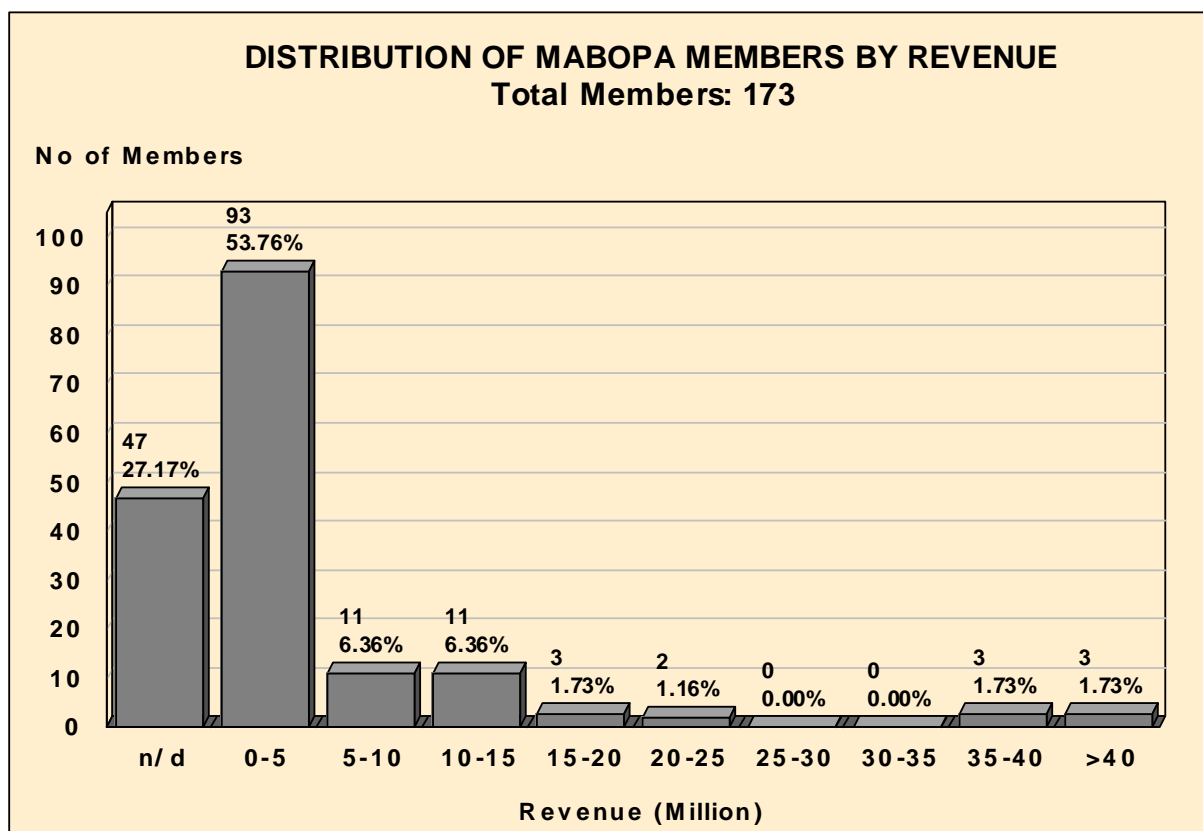

MABOPA office welcomes any contributions of old MABOPA records and MABOPA mementoes from members in order to start this archiving project. Ultimately, the association aspires to run a professional office on par with its peers in the region such as the Publishers Association of Thailand (PUBAT) and Ikatan Penerbit Indonesia (IKAPI).

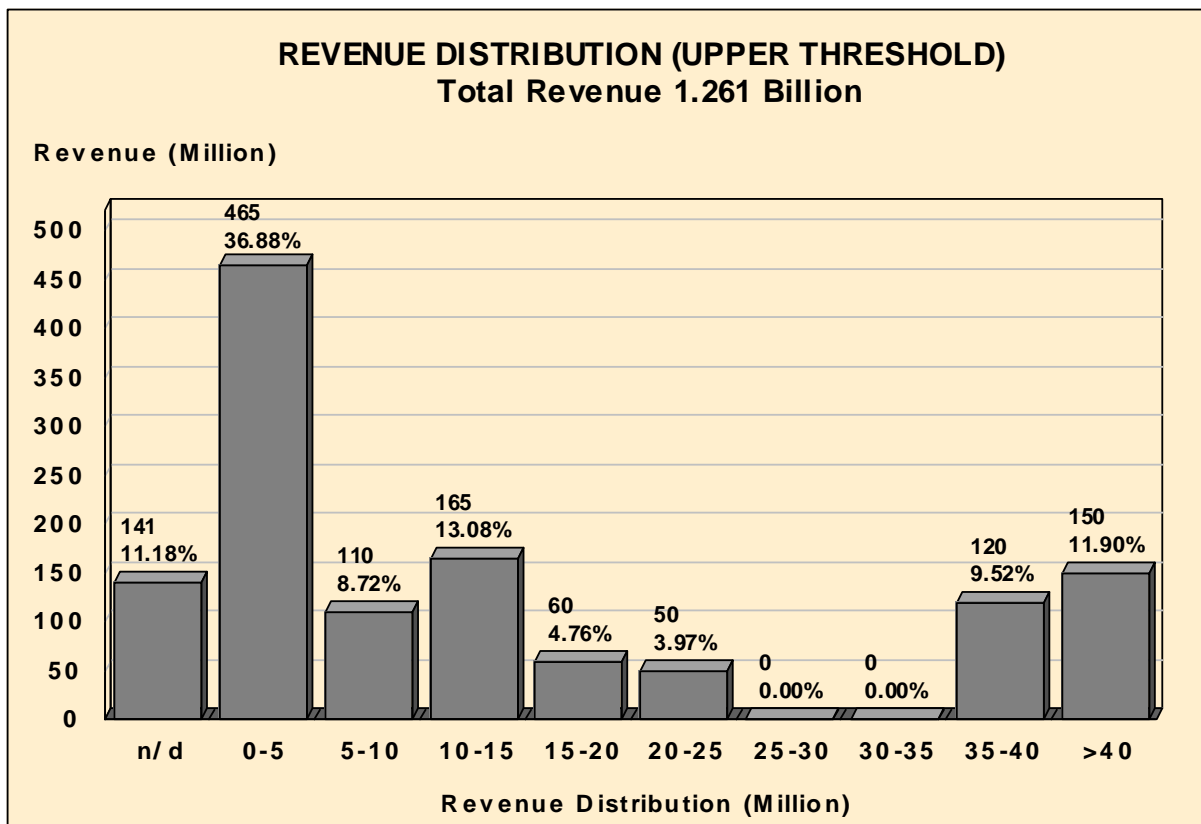

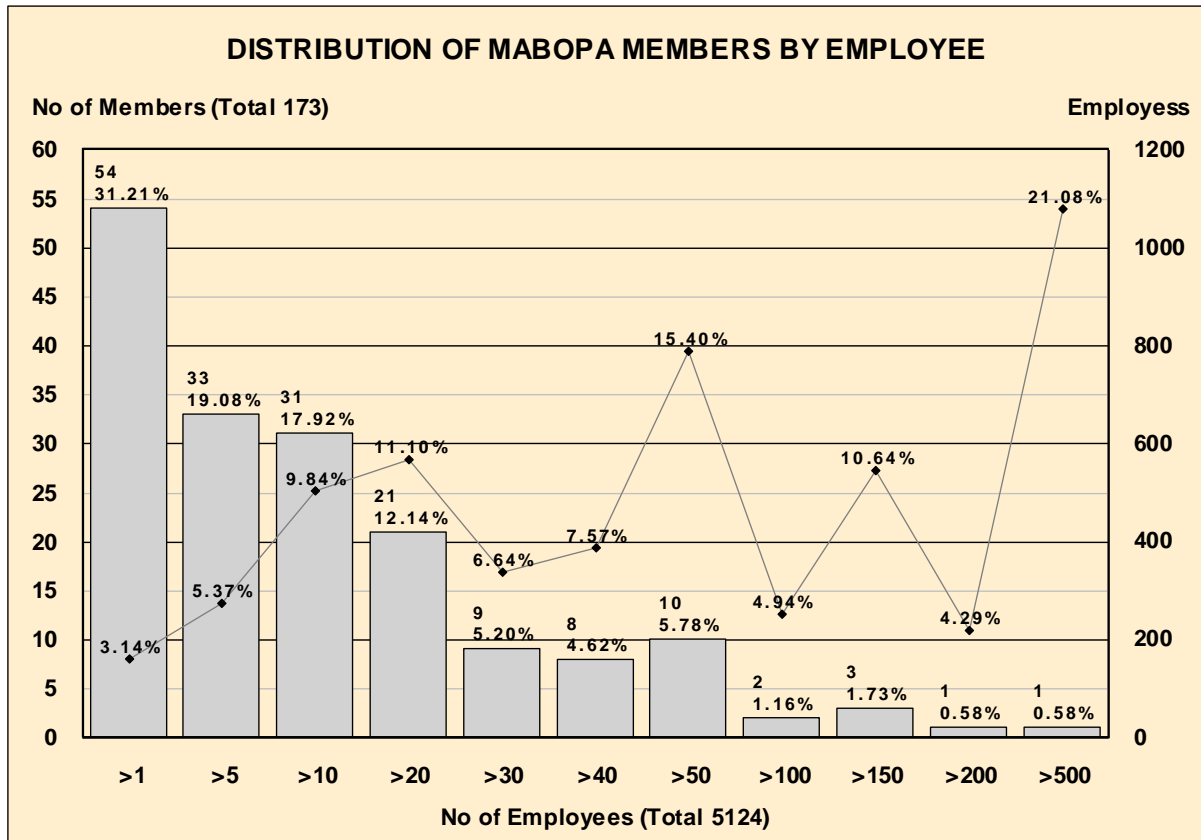

3.0 MABOPA Directory 2010/2011

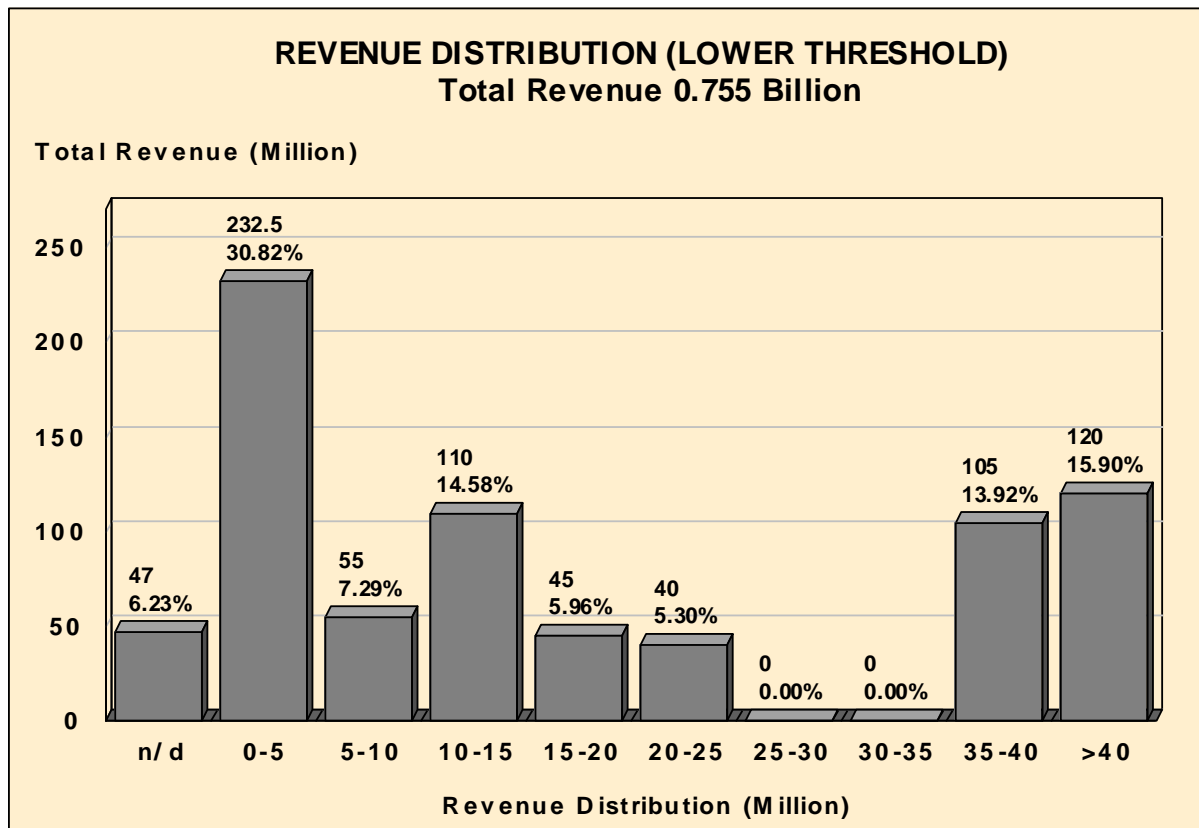

The directory project has been a complete success for the association. Members received their copies of the freshly printed directory at the 41st Annual General Meeting (2010). The association received strong support from members and industry associates in the form of advertisements and sponsorships. The directory generated a profit of RM 42,570 for the association.

The list of the advertisers and sponsors is included in Appendix 2.

The 2010/2011 edition is one of the most comprehensive directories available on the local book publishing industry. From the statistics obtained, we were able to establish critical information about the profiles of our members with regard to their revenues and number of jobs created. The statistics also provide a good indication on MABOPA members' contribution to the national economy in general and the national book industry in specific. However, we were unable to retrieve required information from 47 members and reasonable assumptions were employed for the following charts. The mean of members' total revenue is 1.088 billion.

4.0 MABOPA 42nd Gala Dinner

The association would be hosting a Gala Dinner to celebrate its 42nd Anniversary on 16th April 2011 at Hotel Istana, Kuala Lumpur.

More than 500 guests are expected to attend this dinner. Among the highlights of the dinner will be entertainment by the evergreen band, The Alleycats and lucky draws with the Grand Prize: A trip to the Frankfurt Book Fair.

Members are invited to contribute to the MABOPA Showcase and submit their best titles of their publications to be showcased at the foyer of the ballroom after which the titles will be displayed permanently at the MABOPA Secretariat.

Members are also encouraged to take up full-page advertisements in our Souvenir Programme Book to be produced specially for the event. Each member will be entitled to one free dinner ticket. Additional tickets are available for sale at RM 200 per person or RM 2,000 per table of 10 persons for the nine course dinner.

We have engaged an events management company to organise and provide members a memorable evening.

This seminar was held to provide members current and up-to-date information about the proposed implementation of a Goods and Services Tax (GST). This was in the wake of the government's indication that the GST would be implemented by mid-2011. The seminar was conducted by panel speakers from BDO Tax Services Sdn. Bhd.

Participants at the seminar were informed about the implications of this broad-based consumption tax on businesses and individuals, and the necessary changes that need to be made to the way businesses are run.

MBKM has delegated to MABOPA 3 additional functions;

Joint Secretary: Pn Zainora Muhamad

Trade & Copyright Centre (TCC) Chairperson: Mr Arief Hakim Sani

Directory & Programme Book Sub-committee Chairperson: Hajah Sabariah Abdullah

4.0 Trade & Copyright Centre 2011

TCC is a strategic project to develop Kuala Lumpur as a trading hub for IP Rights sales in the region. In 2011, the emphasis is to get ASEAN publishers to look into Kuala Lumpur as the preferred place to conduct IP Rights trade.

For MABOPA members, the benefits are many folds;

- MABOPA members can use this place as a platform to sell their IP Rights to neighbouring countries like Indonesia, Thailand, Vietnam and Philippines. These countries actively buy IP Rights from the international market.
- MABOPA members can engage literary agents to sell their IP Rights.
- MABOPA members can buy IP Rights for their own publishing programme. Top publishers from the region take part in TCC, and there are a lot of good selections of material available for selling.

MABOPA members can take part in several ways;

- Buy booths or tables in TCC, to sell your IP rights.
- Come as trade visitors and make appointment with the participants.

MATRADE reported to MABOPA that the TCC project in 2010 produced RM 250,000 in sales and more than RM1.5 million in potential sales for Malaysian publishers.

D - International Relations

1.0 International Publishers Association (IPA)

MABOPA has yet to apply to join IPA.

2.0 Asia Pacific Publishers Association (APPA)

2.1 APPA Book Awards 2011

The awards for 2010 went to the major countries like China, Japan and Korea. List of APPA Book Awards recipients is included in Appendix 7. The association feels that MABOPA members should try to participate in the future.

2.2 APPA AGM 2010 in Cebu (17-22 June 2010)

The President and Honorary Secretary attended the APPA AGM in Cebu, Philippines. MABOPA has renewed the APPA membership by paying the fee of USD500. Atty

Dominador D. Buhain from the Philippines has been elected at the AGM to be the new president of APPA.

2.3 APPA AGM 2011 in Brunei Darussalam (24-26 Feb 2011)

MABOPA Vice President, Mr Raymond Yeo and Honorary Secretary attended the AGM in Brunei. The AGM passed resolutions to widen the membership of APPA to include all potential countries in Asia Pacific, and to increase the financial viability of APPA by raising the annual membership fee.

2.4 APPA AGM 2012

It has been agreed upon at the 2011 AGM that the Sri Lanka Publishers Association will have the honour to host the next AGM. It will be held in Colombo, Sri Lanka on September 2012.

3.0 ASEAN Book Publishers Association (ABPA)

During ABPA AGM in Hanoi 17th September 2010, the meeting passed a resolution to amend the constitution which states that the presidency of a country will continue until the term expires. The implication is that the new president of MABOPA elected at the 42nd AGM will have the honour to be the president of ABPA until the end of 2011. Malaysia's country report is in Appendix 8.

3.1 ABPA Book Awards 2010.

A children's book from Malaysia, published by PTS has won the children's books category at the ABPA Book Awards 2010. Several books originally licensed from JY Publications Malaysia, and translated to Thai languages have won in the general books category.

The list of the winners is in Appendix 9.

4.0 MABOPA - IKAPI Cooperation

MABOPA took part in the Indonesia International Book Fair 2010 which was held from 12-16 November 2010, by establishing a Malaysian pavilion. Initially, 12 bookings were received from members to participate in the Malaysian Pavilion. However, due to the

threat of BENDERA political group, many publishers decided to pull back at the last minute. Only 3 publishers took part this time around: Sasbadi Sdn Bhd, True Wealth Sdn Bhd and Al-Ameen Serve Holding Sdn Bhd.

The balance of pavilion rental due to IKAPI was borne by three other companies namely Kualiti Books, Saba Islamic Book and PTS Publications in order to avoid any losses to the association. The Exco feels that in the future, the association should impose a cancellation fee in order to mitigate for last minute cancellations.

IKAPI hosted a meeting at their office for delegates from TCC 2011 & KLIBF 2011. From the meeting, IKAPI has agreed to be the coordinating agency for their country. Indonesian publishers interested to take part can contact their own association, and make payment to IKAPI for the booking.

5.0 MABOPA - PUBAT Cooperation

There has been a closer co-operation with PUBAT in 2011. PUBAT has invited Malaysia to be the guest of honour at the Bangkok International Book Fair in March 2011. However, due to the limited resources, MBKM decided to decline the invitation.

PUBAT hosted a meeting between TCC 2011 and their members who are interested to take part in the fair, at their office in February 2011.

6.0 International Book fairs

Starting this year, MBKM will be the leading agency for international book fairs. We have identified the officer responsible for each book fair, and meetings have been set up to plan for the fairs.

- Mrs Norhayati is responsible for Bologna Children's Book Fair. MABOPA Exco Mr Young Poh Loon is the liaison from MABOPA.
- Mr. Sharif Apen will plan for Beijing Book Fair. MABOPA Exco Mr Kow Ching Chuan is the liaison from MABOPA.
- Mrs Adibah Omar will plan for Frankfurt Book Fair. Haji Che Mazlan is the liaison from MABOPA.

We have been informed of the budget cut at MATRADE, and apparently the book industry will not be receiving fresh support from MATRADE.

Cadangan Penambahbaikan Sistem Pentaksiran Pendidikan Kebangsaan

Kepada: Y.Bhg. Tan Sri Ketua Pengarah Pelajaran

Daripada: Law King Hui, Presiden Pesatuan Penerbit Buku Malaysia (MABOPA)

Tarikh: 27 Julai 2010

Perkara: CADANGAN PENAMBAHBAIKAN SISTEM PENTAKSIRAN PENDIDIKAN KEBANGSAAN

Y.Bhg. Tan Sri,

Salam 1Malaysia dan salam hormat daripada saya serta seluruh warga MABOPA. Semoga Y.Bhg. Tan Sri sentiasa berada dalam keadaan sihat sejahtera.

Merujuk kepada perkara di atas, saya bagi pihak MABOPA ingin memaklumkan pandangan-pandangan dan cadangan-cadangan pihak MABOPA seperti yang berikut kepada pihak Kementerian Pelajaran.

Pendahuluan

MABOPA ditubuhkan pada 14 Januari 1969 dan mempunyai kira-kira 170 ahli. Walaupun bilangan ahli ini kelihatan tidak besar, namun boleh dikatakan bahawa semua penerbit aliran utama tanah air yang unggul dan besar telah menyertai MABOPA.

Dari segi ekonomi, ahli-ahli MABOPA menyumbangkan kira-kira satu bilion ringgit setahun kepada ekonomi negara serta menyediakan kira-kira enam ribu peluang pekerjaan. Daripada jumlah tersebut, kira-kira 70% perolehan bergantung pada penerbitan bahan-bahan pengajaran dan pembelajaran yang berkaitan dengan kurikulum sekolah rendah dan sekolah menengah.

Dari segi sumbangan kepada pendidikan tanah air, ahli-ahli MABOPA memainkan peranan sokongan yang penting melalui bahan-bahan pengajaran dan pembelajaran yang diterbitkan secara profesional. Bahan-bahan yang merangkumi semua peringkat dan bidang ini dapat membantu guru-guru dan murid-murid dalam usaha mencapai objektif pengajaran dan pembelajaran dengan efektif. Bahan-bahan pengajaran dan pembelajaran yang biasanya dikemaskinikan setiap tahun ini bukan sahaja dapat menyampaikan maklumat dan ilmu yang terkini kepada para guru dan murid, malah dapat meringankan beban serta memudahkan tugas para guru, khususnya dalam penerapan pelbagai input P&P seperti penerapan nilai-nilai murni, KBKK, ICT dan sebagainya serta pelaksanaan dasar baru pendidikan seperti PPSMI dan MBMMBI.

Pandangan MABOPA Terhadap UPSR dan PMR

1. UPSR dan PMR merupakan dua sistem pentaksiran kebangsaan yang diyakini oleh semua pihak dan mempunyai fungsi yang tertentu.
2. UPSR dan PMR mempunyai daya pendorong serta pemangkin yang kuat kepada para guru dan murid untuk mewujudkan mentaliti *only the best is good enough*.
3. UPSR dan PMR merupakan medan yang adil dan saksama atau '*level playing field*' kepada semua murid di bawah sistem pentaksiran kebangsaan dan keputusannya tidak boleh dipertikaikan.
4. UPSR dan PMR dapat memupuk disiplin serta membina daya saing dan ketahanan mental yang sangat diperlukan dalam diri murid bagi menghadapi pelbagai cabaran getir dunia sebenar hari ini.
5. UPSR dan PMR dapat memastikan agar para murid tidak ketinggalan mengulang kaji semua pelajaran mereka, termasuk mata pelajaran yang kurang digemari hingga melahirkan murid yang mempunyai pengetahuan yang menyeluruh.

Pandangan MABOPA Berkaitan dengan Pemansuhan UPSR dan PMR

1. Masa yang diijamatkan mungkin tidak dimanfaatkan sepenuhnya oleh para murid untuk aktiviti yang produktif atau yang menguntungkan.

2. Murid yang mempunyai kelakuan yang kurang memuaskan mungkin dipinggirkan jika terdapatnya prasangka terhadap murid berkenaan.
3. Ibu bapa yang tidak berpuas hati dengan sistem pentaksiran yang baru boleh menimbulkan keadaan huru-hara di sekolah dan memberikan tekanan yang besar kepada pentabir sekolah.
4. Kelegaan di kalangan murid mungkin mengakibatkan kemerosotan dalam pencapaian akademik negara. Sebagai contoh, merosotnya penguasaan bahasa Inggeris adalah akibat daripada kelonggaran dalam dasar pendidikan kebangsaan.

Impak Ekonomi Terhadap Penerbit Sekiranya UPSR dan PMR Dimansuhkan

1. Dijangka bahawa perolehan ahli-ahli MABOPA akan merosot sebanyak 50% lalu mengakibatkan banyak pekerja yang mungkin diberhentikan kerana penerbit-penerbit terpaksa mengecilkan operasinya.
2. Dijangka bahawa perolehan penjual dan pengedar buku yang bergantung pada penerbitan buku-buku akademik akan terjejas teruk.
3. Penulis, ilustrator, pereka bentuk, dan mereka yang terlibat dalam dunia penerbitan akan turut menerima kesan langsung yang buruk.
4. Pencetak, pembekal kertas, serta pembekal pelbagai peralatan yang terlibat dalam dunia penerbitan turut menerima kesan langsung yang buruk.
5. Stok buku akademik yang berkaitan dalam simpanan terpaksa dilupuskan sekiranya pemansuhan dilaksanakan secara mendadak.

Pendirian MABOPA

1. UPSR dan PMR tidak harus dimansuhkan sebelum diwujudkan suatu sistem pentaksiran kebangsaan baru yang mantap.
2. Latihan dan bahan sumber yang secukupnya perlu disediakan untuk para guru supaya mereka dapat melaksanakan tugas mentaksir secara berkualiti dan profesional. Hal ini juga dapat mengelakkan berlakunya pencerobohan terhadap hak cipta intelek ahli-ahli MABOPA.

3. Jika perlu dimansuhkan segera, MABOPA memohon agar hanya melibatkan PMR sahaja kerana UPSR merupakan satu-satunya sistem pentaksiran kebangsaan utama yang bertujuan mengukur serta menilai pencapaian seseorang murid selepas enam tahun persekolahan secara adil dan saksama.
4. Jika UPSR dan PMR mahu dimansuhkan juga, MABOPA merayu supaya pelaksanaannya ditangguhkan sehingga selepas atau pada 2012 kerana para penerbit memerlukan masa yang cukup untuk menyesuaikan diri dengan persekitaran baru supaya keadaan sedia ada dapat dikekalkan.
5. Demi peranan sokongan yang dimainkan oleh para penerbit terhadap pendidikan negara, masa yang secukupnya diperlukan untuk menerbitkan bahan pengajaran dan pembelajaran yang berkualiti dalam usaha membantu mencapai objektif dan hasrat Kementerian Pelajaran.

Penutup

MABOPA berharap agar pihak kementerian dapat mempertimbangkan semua pandangan dan cadangan yang diberikan ini dengan teliti. Sekiranya UPSR dan PMR hendak dimansuhkan juga, maka MABOPA menyarankan agar pelaksanaan sistem Pentaksiran Pendidikan Kebangsaan yang baru dilakukan dengan hati-hati tanpa tergesa-gesa supaya transisinya lebih lancar demi kebaikan pelbagai pihak yang berkepentingan.

Bagi MABOPA serta pengusaha yang terlibat dalam industri perbukuan, notis yang mencukupi dapat memastikan agar impak negatif ekonomi dapat diminimumkan dan seterusnya dapat mengelakkan berlakunya penguncupan ekonomi dalam industri perbukuan negara.

Sekian, terima kasih.

Appendix 5

Cadangan Kepada MATRADE Untuk Mengekalkan Sokongan Kepada Industri Buku Bagi Membangunkan Eksport Harta Intelektual (IP) Tempatan Ke Pasaran Antarabangsa.

Tujuan

Kertas ini bertujuan memohon Perbadanan Pembangunan Perdagangan Luar Malaysia (MATRADE) supaya mengekalkan sokongan kewangan untuk industri buku, bagi meneruskan rancangan pembangunan eksport bagi harta intelektual (IP) yang dihasilkan oleh penerbit tempatan.

Pendahuluan

IP merupakan aset yang bernilai tinggi kerana IP boleh dieksport kepada banyak pasaran secara serentak (*one to many*) tanpa memerlukan kapasiti penghasilan tambahan.

Selain itu, IP merupakan harta yang berasaskan kreativiti yang akan menganjak ekonomi negara dari rantai nilai (*value chain*) yang berorientasikan kos buruh rendah, kepada rantai nilai ekonomi berpendapatan tinggi. IP elemen kritikal dalam industri kreatif yang mampu menjayakan usaha kerajaan menjadikan industri kreatif sebuah industri utama bawah NKRA yang akan menyumbang kepada pendapatan negara kasar. Malangnya, disebabkan beberapa kekangan termasuk kekurangan modal dan pengalaman, hasil IP oleh para penerbit di Malaysia masih belum dapat menerobos pasaran antarabangsa. Industri kreatif Amerika Syarikat misalnya, telah berjaya dieksport ke seluruh dunia dan menyumbang berbilion dolar setahun kepada pendapatan negara kasar negara tersebut. Inilah teras yang menunjangi Program Transformasi Ekonomi yang sedang diusahakan oleh kerajaan sekarang ini.

Walau bagaimanapun, industri buku Malaysia kini masih dalam fasa pertumbuhan, dan memerlukan banyak kegiatan promosi yang tersusun untuk melonjak ke tahap yang lebih tinggi.

Pada masa ini, hasilan IP Malaysia masih belum mendapat perhatian atau sambutan yang hebat daripada golongan industri buku antarabangsa. Ini disebabkan kebanyakan penerbit tanah air merupakan syarikat kecil dan tidak berkemampuan untuk membuat promosi ke luar

negara kerana ia membabitkan kos yang tinggi. Oleh itu, IP tanah air yang berkualiti tinggi dan berpotensi tidak diketahui oleh pasaran antarabangsa.

Antara sebab-sebab yang lain, IP Malaysia tidak mendapat perhatian di pasaran antarabangsa adalah kerana:-

1. Penerbit-penerbit tanah air tidak mengambil berat tentang pemasaran produk mereka ke pasaran antarabangsa.
2. Tahap keyakinan penerbit-penerbit tanah air yang masih rendah untuk meneroka pasaran eksport. Penerbit tempatan kurang yakin bahawa produk mereka cukup baik untuk pasaran eksport.
3. Usaha promosi di pameran buku antarabangsa, terutamanya dari segi aspek persediaan dalaman masih tidak tersusun dan tidak diselaraskan dengan rapi.
4. Usaha promosi kurang berkesan kerana tidak menggunakan teknik pemasaran moden yang berpandukan teknologi terkini.

Dari segi ekonomi, ahli-ahli MABOPA menyumbang kira-kira satu bilion ringgit setahun kepada ekonomi negara serta menyediakan kira-kira enam ribu peluang pekerjaan. Daripada jumlah tersebut, kira-kira 99% perolehan bergantung kepada pasaran tempatan. Secara keseluruhan, sumbangan industri penerbitan kepada ekonomi negara dianggarkan antara 1.5 – 2.0 bilion ringgit setahun.

Potensi Pengeksportan IP Malaysia ke Pasaran Antarabangsa.

Selain peranan sumbangan ekonomi IP juga memainkan peranan mempromosi seni dan kebudayaan Malaysia ke serata dunia. Nilai tambah yang dapat diperolehi melalui pengeksportan IP adalah:

- a. Membina reputasi IP Malaysia sebagai produk bertaraf dunia, unik, dan autentik Asia.
- b. Membina reputasi pengeluar IP Malaysia sebagai pengeluar yang boleh dipercayai, menghormati prinsip hak cipta dan menawarkan harga yang kompetitif.
- c. Memberi pendedahan kepada penerbit baru dari Malaysia kepada peluang pasaran eksport.
- d. Membangunkan Kuala Lumpur sebagai pusat dagangan IP serantau.

Justifikasi Memohon Sokongan daripada MATRADE

MATRADE perlu meneruskan usaha menjenamakan produk - produk bersumberkan IP dari Malaysia. Kegagalan berbuat demikian akan menyebabkan Malaysia ketinggalan berbanding

negara-negara jiran serantau dalam suatu industri bernilai tinggi yang berasaskan harta intelektual, budaya, kreativiti dan inovasi.

Sesungguhnya, usaha membangunkan eksport IP Malaysia perlu sokongan daripada pelbagai agensi yang berkaitan, terutamanya MATRADE apabila melibatkan aspek pengeksportan.

Pada masa yang sama, MABOPA sedang giat menjalankan latihan bagi mendidik para penerbit tempatan dalam hak berkaitan pengeksportan IP. Walau bagaimanapun, MABOPA mengalami kekangan bagi menganjurkan latihan seumpama ini secara lebih intensif atas sebab kekangan kewangan.

Selain itu, urus niaga IP daripada pembeli luar negara dalam program In-Trade di “Kuala Lumpur Trade & Copyright Centre 2010” juga meningkat berbanding tahun-tahun sebelumnya. “Kuala Lumpur Trade & Copyright Centre 2011” dijangka akan menunjukkan perkembangan yang lebih pesat. Usaha ini harus terus diberikan sokongan.

Output industri buku makin berkembang pesat, terutamanya sejak kebelakangan ini. Perkembangan ini adalah dari segi penubuhan syarikat penerbitan baru dan juga dari segi bilangan tajuk-tajuk baru yang dihasilkan setiap tahun. Selaras dengan itu, potensi IP yang sesuai untuk dieksport juga meningkat pada kadar yang pesat. (Sila rujuk jadual di bawah).

Oleh itu, MABOPA memohon agar bantuan dalam bentuk geran atau subsidi terus diberikan kepada ahli MABOPA, terutamanya apabila mereka menyertai pesta-pesta buku antarabangsa dalam usaha melaksanakan pemasaran eksport yang efektif.

Saranan

Selaras dengan objektif-objektif yang ingin dicapai yang digariskan di atas, maka MATRADE disaran terus memberikan sokongan kepada industri perbukuan negara khususnya dengan meneruskan bantuan-bantuan bagi aktiviti berikut:-

- i. Misi Belian In-Trade
- ii. Misi Pemasaran Khusus
- iii. Geran Pembangunan Pasaran
- iv. Geran Pembangunan Jenama

Sokongan MATRADE yang berterusan ini amat kritikal kerana kejayaan dalam pengeksportan IP Malaysia pada peringkat ini akan menjadi katalis kepada penglibatan penerbit-penerbit lain dari Malaysia secara besar-besaran. Tanpa sokongan MATRADE, momentum yang telah terbina ini akan terencat dan segala usaha yang telah dijalankan selama ini akan menjadi sia-sia.

**LAPORAN PERBINCANGAN
DI ANTARA PERPUSTAKAAN NEGARA MALAYSIA (PNM)
DAN PERSATUAN PENERBIT BUKU MALAYSIA (MABOPA)**

ISU-ISU DALAM TENDER PERPUSTAKAAN DESA 2009

1. TUJUAN

Laporan ini bertujuan memaklumkan YBhg Datuk Wira, Ketua Setiausaha, Kementerian Penerangan Komunikasi dan Kebudayaan tentang hasil perbincangan di antara Perpustakaan Negara Malaysia (PNM) dengan pihak Persatuan Penerbit Buku Malaysia (MABOPA) tentang isu-isu dalam kontrak pembekalan buku Perpustakaan Desa (PD) tahun 2009. Mesyuarat telah diadakan pada 10 April 2010 jam 10.00 pagi di Perpustakaan Negara Malaysia.

2. OBJEKTIF MESYUARAT

Objektif mesyuarat ini diadakan adalah untuk:

- i. Menjalinkan kerjasama dengan persatuan penerbit buku dalam memantapkan pengurusan pembekalan buku di seluruh negara;
- ii. Memberi penjelasan tentang isu-isu yang timbul dalam kontrak pembekalan buku PD tahun 2009; dan
- iii. Memperbaiki dan melicinkan proses pelaksanaan kontrak pembekalan buku PD di masa hadapan.

3. KEHADIRAN

Mesyuarat telah dihadiri oleh wakil-wakil daripada PNM dan MABOPA seperti di **Lampiran I**.

4. PERKARA YANG DIBINCANGKAN

Perkara-perkara yang dibincangkan adalah seperti berikut:

4.1 Maklum balas kepada surat MABOPA bertarikh 10 Mac 2010

Pihak MABOPA membangkitkan pihaknya tidak menerima sebarang jawapan kepada surat yang dihantar kepada PNM bertarikh 10 Mac 2010 mengenai isu-isu dalam tender (kontrak) pembekalan buku PD tahun 2009.

Jawapan:

PNM memaklumkan tidak menerima surat tersebut, dan hanya mengetahuinya setelah dimaklumkan oleh pihak Kementerian Kebudayaan Penerangan dan Komunikasi (KPKK) melalui surat bertarikh 23 Mac 2010. Salinan surat tersebut telah dikemukakan oleh KPKK kepada PNM.

4.2 Isu yang telah dapat ditangani oleh PNM

MABOPA memaklumkan bahawa terdapat dua isu yang pernah dibangkitkan telah berjaya ditangani oleh PNM, iaitu, tentang buku terlalu berat untuk set buku perpustakaan yang berharga

mahal dan juga isu pemilihan bahan-bahan lama. Pihaknya berharap isu ini tidak akan berulang dalam kontrak pembekalan buku seterusnya.

Jawapan:

PNM memaklumkan pemilihan buku-buku untuk Perpustakaan Desa (PD) dilakukan berpandukan *Garis Panduan Perolehan Buku Perpustakaan Desa Seluruh Negara* yang telah ditetapkan dengan mengambil kira aspek termasuk kualiti penerbitan, kandungan, harga dan kekinian bahan.

4.3 Kurangnya ahli MABOPA yang terlibat dalam kontrak pembekalan buku PD

Pihak MABOPA memaklumkan hanya 23% daripada 166 ahli MABOPA yang terlibat dalam kontrak pembekalan buku PD tahun 2009, sedangkan ahli Persatuan ini merupakan penerbit-penerbit utama di negara ini yang menghasilkan buku berkualiti.

Jawapan:

Pemilihan buku daripada pelbagai penerbit dilakukan oleh PNM berdasarkan kepada kesesuaian kandungan buku berkenaan untuk komuniti PD tersebut berpandukan kriteria *Garis Panduan Perolehan Buku Perpustakaan Desa Seluruh Negara* yang ditetapkan.

PNM tidak menumpukan pemilihan kepada penerbit tertentu sahaja yang bertujuan untuk memberi peluang kepada sebanyak mungkin penerbit buku tempatan yang bergiat dalam industri penerbitan buku di negara ini.

Pada tahun 2009 PNM telah memilih buku daripada 60 penerbit dan 16 (26.6%) penerbit adalah terdiri daripada ahli MABOPA. Statistik perolehan mengikut penerbit dari tahun 2006 sehingga 2009 adalah seperti di **Lampiran II**.

Sehingga kini terdapat sebanyak 8,184 penerbit di Malaysia berdasarkan kepada rekod pendaftaran nombor ISBN (*International Standard Book Number*) di Pusat Kebangsaan ISBN, PNM. Jumlah ini termasuk bagi penerbit yang aktif dan tidak aktif dalam menghasilkan terbitan mereka bagi sesuatu tahun.

4.4 Buku kanak-kanak bahasa Inggeris tidak dibeli daripada ahli MABOPA

Pihak MABOPA memohon penjelasan tentang buku kanak-kanak bahasa Inggeris oleh ahli MABOPA yang tidak dipilih langsung dalam perolehan tahun 2009.

Jawapan:

PNM membuat pemilihan buku kanak-kanak dalam Bahasa Inggeris berdasarkan *Garis Panduan Perolehan Buku Perpustakaan Desa Seluruh Negara* serta buku yang benar-

benar berkualiti dan bersesuaian dengan komuniti PD berkenaan tanpa mengambilkira penerbit tersebut adalah ahli MABOPA atau pun tidak. Walau bagaimanapun, Jabatan ini akan mengambil perhatian permohonan MABOPA agar mempertimbangkan terbitan daripada ahli MABOPA jika terbitan mereka mematuhi garis panduan tersebut untuk perolehan tahun 2010.

4.5 Penilaian dan pemilihan hendaklah berpandu Garis Panduan dan Kriteria secara professional

MABOPA mencadangkan supaya PNM melaksanakan pemilihan berpandu kepada garis panduan dan kriteria secara professional. PNM juga dicadangkan memantapkan kriteria pemilihan buku PD dengan mengambilkira aspek kualiti dan kekinian bahan. PNM juga diminta supaya lebih berhati-hati dalam menilai sesuatu terbitan kerana terdapat penerbit yang tidak bertanggungjawab menerbitkan semula buku-buku lama serta tidak berkualiti.

Jawapan:

- i. Setiap pemilihan buku PD dibuat secara profesional berpandukan kepada *Garis Panduan Perolehan Buku Perpustakaan Desa Di Seluruh Negara*

Antara kriteria yang ditetapkan dalam *Garis Panduan* tersebut termasuk:

- a) Memberi keutamaan kepada judul-judul terbaru yang berkualiti.
- b) Memberi keutamaan kepada buku-buku yang telah diserahkan bawah Akta 331- Akta Penyerahan Bahan Perpustakaan.
- c) Kualiti Penerbitan

Dalam membuat pemilihan, PNM juga memberi keutamaan kepada buku-buku terkini yang memenuhi standard penerbitan seperti mempunyai nombor ISBN dan Data Pengkatalogan Dalam Penerbitan.

- d) Kualiti kandungan

Memilih buku yang kandungannya sesuai untuk bacaan umum yang tidak terlalu teknikal mengenai perpaduan, sejarah, budaya, warisan, kesenian.

- ii. Perolehan dibuat mengikut Prosedur Kewangan untuk pembelian terus seperti dalam *Surat Pekeliling Perbendaharaan Bil. 12 tahun 2007*.

- iii. Perolehan dilaksanakan setelah mendapat **kelulusan secara bertulis daripada Kementerian Kewangan.**

Walau bagaimanapun, PNM mengambil perhatian terhadap cadangan MABOPA untuk mengkaji semula Garis Panduan dan kriteria pemilihan buku PD dari semasa ke semasa agar lebih mantap. PNM juga menyambut baik tawaran MABOPA untuk bekerjasama dalam mengenalpasti penerbit yang bermasalah.

5. HAL-HAL LAIN

5.1 Jalinan Kerjasama MABOPA dan PNM

MABOPA mencadangkan diwujudkan komunikasi dua hala antara PNM dan MABOPA agar ahli-ahli MABOPA menyedari pelaksanaan aktiviti perolehan oleh PNM serta memahami keperluan PNM dalam menerbitkan buku yang diperlukan oleh PNM.

Jawapan:

- i. PNM menyambut baik cadangan tersebut kerana MABOPA perlu memainkan peranan untuk memastikan penerbit di Negara ini menyerahkan buku kepada PNM bawah Akta Penyerahan Bahan Perpustakaan (Akta 331);

- ii. PNM akan bekerjasama untuk menggalakkan penerbit yang memohon nombor ISBN untuk menjadi ahli MABOPA; dan
- iii. Pemilihan buku masih bertumpukan kepada perolehan buku bacaan umum yang tidak terlalu teknikal termasuk buku-buku bertemakan perpaduan, sejarah, budaya, warisan dan kesenian bersesuaian dengan keperluan komuniti desa.

5.2 Buku dalam Bahasa Cina dan Tamil

MABOPA memohon agar buku Bahasa Cina dan Tamil juga dipertimbangkan dalam pemilihan untuk kesemua PD untuk memberi peluang masyarakat Malaysia mempelajari bahasa-bahasa tersebut.

Jawapan:

Dalam pemilihan buku PD, PNM perlu memastikan buku yang diperolehi dapat dibaca untuk manfaat masyarakat umum memandangkan sumber kewangan terhad. Justeru, keutamaan adalah terbitan dalam bahasa Melayu. Walau bagaimanapun, PNM akan memilih buku dalam Bahasa Cina dan Tamil untuk PD yang bersesuaian dengan komuniti berkenaan.

6. SYOR/CADANGAN

- i. MABOPA perlu berusaha untuk menarik lebih ramai penerbit untuk menjadi ahli kerana masih banyak penerbit yang belum menjadi ahli.
- ii. PNM akan berusaha membantu MABOPA untuk menggalakkan penerbit yang memohon ISBN untuk menjadi ahli MABOPA.
- iii. PNM akan mengkaji semula dari semasa ke semasa dalam memantapkan proses dan kriteria pemilihan buku PD dari masa ke semasa untuk memastikan hanya buku terkini dan berkualiti dipilih untuk koleksi PD dengan mengambilkira prosedur Kerajaan yang diarahkan dari masa ke semasa.
- iv. PNM dan MABOPA hendaklah mempertingkatkan kerjasama supaya saling memahami serta wujud "win-win situation" di mana PNM dapat membekalkan buku yang berkualiti dan terkini di PD seluruh negara, manakala penerbit dapat menyediakan buku yang berkualiti dalam meningkatkan minda rakyat Malaysia.
- v. MABOPA berusaha membantu PNM dalam memastikan kesedaran penerbit untuk menyerahkan buku di bawah Akta 331.
- vi. Mengadakan kerjasama yang berterusan dalam meningkatkan pembangunan industri buku Negara dan seterusnya dapat menggalakkan pembudayaan membaca di seluruh negara.

7. KESIMPULAN

Adalah diharapkan penjelasan dan persetujuan bersama yang diperolehi semasa perbincangan ini dapat memastikan pembekalan buku perpustakaan desa seluruh negara dapat disediakan dengan cara yang terbaik.

8. PENUTUP

Overview

The continued global economic slowdown has forced the Malaysian Government to cut back on its spending across the board. Funds were channelled to sectors in the economy which have higher priority in terms of social and economic needs.

However, the Government's emphasis on education has not wavered and the setback is only temporary. In fact, the Malaysian Government's commitment under the Millennium Development Goal (MDG) to provide education for all by the year 2015 is right on track, as declared by the Minister of Education.

Generally, the book industry has seen a slight drop in government and library purchase last year. The National Library's 2009 statistics indicate that there has been a slight drop in new titles published for the textbook and children's book genres when compared to the year 2008 (Please see Table 1). However, general titles and trade books continued to grow, albeit at a much slower pace, riding on the continued trend of increased spending on books by the public.

The Malaysian Book Publishers Association (MABOPA) continued to be very active and received good support from its members during the year. The association held its 41st AGM on 17 April 2010 and the members present unanimously passed a resolution proposed by the President to increase the annual subscription fee by 66.66% from the year 2011 onwards.

The increase in the annual subscription fee was necessary as the association was moving into its own premises (it has since moved in on 19 May 2010) and has decided to hire full time executives to assist the Executive Committee in running the association's day-to-day operations. The overwhelming support from the members also indicates the great confidence that members have in the present Executive Committee. With full time executives, the association is set to become more dynamic and aspires to be more effective in serving its members' needs. During the year, fourteen (14) new members have joined the association.

The 2010 Kuala Lumpur International Book Fair (KLIBF) was hosted successfully from 19 to 28 March 2010. Visitors to the 2010 KLIBF were recorded at 1.5 million person-trips during the ten days, a lower number compared to the 1.57 million for 2009. The drop is attributed to the off-timing and the economic slowdown.

In conjunction with the KLIBF, MABOPA co-organised the Trade and Copyright Centre (TCC) @ KLIBF 2010. The TCC was set up as a parallel show of the KLIBF and served as a launching pad to establish Kuala Lumpur as the IP trading centre in the ASEAN region. With the cooperation of the Malaysia External Trade Development Corporation (MATRADE), 9 International Trade Buyers from China (2), Pakistan (1), Singapore (2), The USA (2) and Thailand (2) were invited to Kuala Lumpur to meet up with 53 local publishers. A total of 146 business meetings were conducted over two days.

Activities and Events

1.0 Asia-Pacific Publishers Association (APPA)

MABOPA President and the Honorary Secretary will attend the 17th APPA AGM to be held in Cebu, Philippines from 17 to 19 June 2010.

2.0 ASEAN Book Publishers Association (ABPA)

The 5th ABPA AGM was held in Jakarta on 4 November 2009 at the Jakarta Convention Centre. At the meeting, the President of MABOPA, Mr. Law King Hui succeeded Atty. Domindor D. Buhain of The Philippines Educational Publishers Association (PEPA) as the ABPA president. Mr. Law's two-year term ends in 2011 when ABPA holds its 7th AGM.

The ABPA President appointed MABOPA Honorary Secretary, Mr Arief Hakim Sani bin Rahmat as the new ABPA Secretary General.

At the first ABPA Exco meeting held in Brunei, in February 2010, Mr Law as ABPA President presented his strategic plan for the next 2 years. The plan focuses on 3 Key Result Areas (KRAs):

- a. Building capacity
- b. Enhancing ABPA visibility
- c. Enhancing ABPA effectiveness

3.0 ABPA Friendship Night in Kuala Lumpur 2010

In conjunction with KLIBF 2010, MABOPA hosted a “Friendship Night” dinner to honour ABPA past presidents, namely the 1st term president, Mr Thananchai Santichaikul, and the 2nd president, Mr Atty Dominador D. Buhain. MABOPA also invited other ABPA founding members to the occasion in appreciation of their contributions to the formation of ABPA.

4.0 MABOPA-IKAPI MOU

A meeting was held on 3 November 2009 in Jakarta during the Indonesia International Book Fair with Ikatan Penerbit Indonesia (IKAPI) representatives. Subsequently, a Memorandum of Understanding was signed between the presidents of MABOPA and IKAPI on 20th March 2010 in Kuala Lumpur. A dialogue session between delegates of both countries was also held in conjunction with the signing ceremony. It is hoped that this effort will facilitate increased business dealings between Malaysian and Indonesian book publishers and would resolve some common issues pertaining to the export and import of books, Islamic publications and censorship, and copyright infringement matters.

5.0 Kuala Lumpur International Book Fair (KLIBF) 2010

KLIBF 2010 was successfully held from 19th to 28th March 2010. The 2010 KLIBF has been listed in the Malaysian Book of Records as the biggest book fair in the country. Altogether, 855 booths were sold to 220 companies and

government agencies, among them 40 were from outside Malaysia. Visitors to the book fair were recorded at 1.5 million person-trips during the ten days.

6.0 Trade and Copyright Centre (TCC) @KLIBF 2010

MABOPA spearheaded the operation at the TCC. For the first time, booths were sold to publishers to showcase their titles available for rights sale. Malaysia External Trade Development Corporation (MATRADE) undertook to source for International Trade Buyers and paid for the buyers' accommodation and food in Kuala Lumpur. Buyers from China (2), Pakistan (1), Singapore (2), The USA (2) and Thailand (2) were brought in to meet up with 53 local publishers. A total of 146 business meetings were held during the 2-day Business Matching event. The ABPA pavilion was also set up within the TCC.

7.0 Book Fairs Hosted by APPA and ABPA Member Countries

Government Relations

1.0 Kuala Lumpur Book City (KLBC)

Kuala Lumpur Book City (KLBC) will be set up under the auspices of the National Book Council of Malaysia (MBKM). The project will be built on a site measuring 6.945 acres in the heart of the city. Besides the KLBC complex, with a built-up area of 11,000 m², the site will also comprise the National Education Museum and schools. The president of MABOPA is a member of the committee entrusted to draw up the blueprint for the KLBC. The KLBC will be government-owned but industry-driven.

2.0 Dialogue with the Director General of Education

MABOPA held a dialogue with the DG of MoE on 16 October 2009 in Kuala Lumpur. Representatives from 52 companies attended the dialogue. Issues

brought up by the publishers included policies on the new curriculum, textbooks tender, public examinations and reading programmes in schools.
